Dear Parents

I am pleased to confirm that next year's Cub camp will be at Runways End at Farnborough.

This gives the Cubs an opportunity to gain Nights Away Experience, The camp will be held from Friday 30th April 2010 to Monday May 3rd May 2010. The Cubs will need to be dropped off and picked up from Farnborough

We will be staying at Runways End Campsite just outside of Farnborough. During the camp the Cubs will be involved in various activities including archery, wall climbing & shooting along with a hike / orienteering along the Basingstoke Canal.

The cost of the weekend is £32 to include all food, and activities. To reserve a space for your Cub, I will require a £10 non refundable deposit by Monday 16th November, with the balance due by the end of year. You must also complete the "Permission to Camp" form and return, with the deposit, by the 16th.

We will have a meeting for parents on Monday 22nd March at 7.15pm at the hut to go through all the details of the camp and to answer any questions you may have. At least one parent/guardian must attend for each Cub going as there will be a final check on paperwork/contact numbers.

I have also attached a kit list for your information if you want to get anything over the holidays - we will go through this in more detail at the meeting.

If you have any queries about the trip before the parent meeting please don't hesitate to send me an email.

Jenny Lowles

Cub Leader
